

CONSTRUCTION NOTICE

November 2, 2015

Construction begins as soon as Monday, Nov. 30, at Rainier Ave S and 51st Ave S

Construction Update

Beginning as soon as **Monday, November 30**, crews working for the Seattle Department of Transportation will construct safety improvements at the intersection of Rainier Ave S and 51st Ave S, including new:

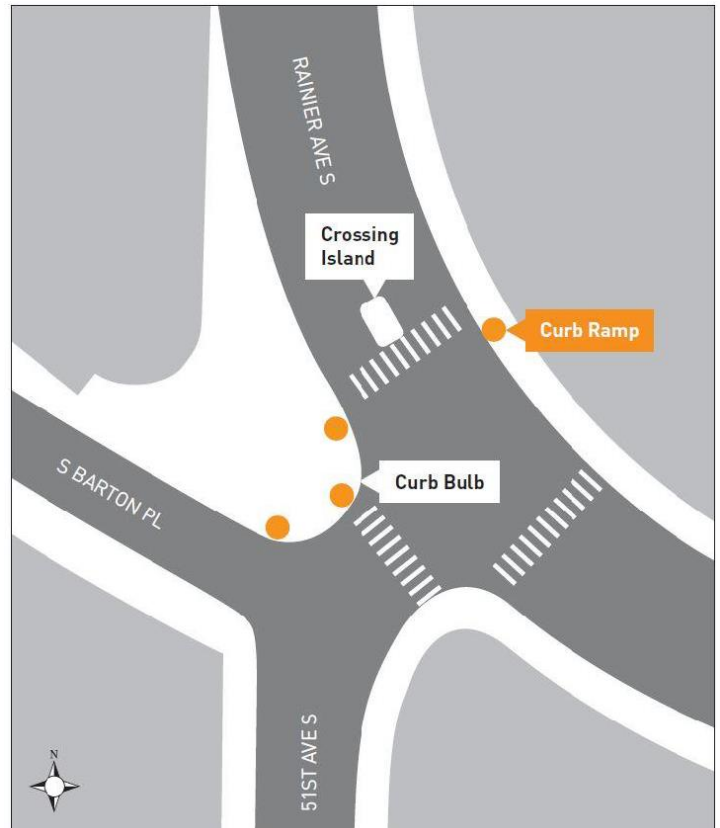

- ADA curb ramps
- Curb bulb outs
- Pedestrian median crossing island
- Countdown crossing signals
- Public art

Work at this intersection is expected to be completed in early 2016, weather permitting.

Safe Routes to School Project

This work is a part of the Safe Routes to School Project. Initiated by parents and neighbors of South Shore K-8 School, this project aims to make safety improvements on the walking and biking route to school. The project focuses on improvements along Rainier Avenue, including flashing school zone beacons, pedestrian lighting, and a curb bulb and traffic island at the intersection of Rainier Avenue S and 51st Avenue S. The project also includes education and encouragement to get more kids walking and biking safely to school. To learn more about these efforts, visit the South Shore K-8's Safe Routes to School program webpage:

www.seattle.gov/transportation/SafeRoutesSouthShore_details.htm

WHAT TO EXPECT DURING CONSTRUCTION

- Typical weekday work hours, 7 AM to 6 PM
- Some early morning, evening, or weekend work may be needed
- Intermittent single lane closures
- Sidewalk detours and parking restrictions
- Noise, dust, and vibration
